

***VARCIS Today Announces A Strategic Partnership with SportsTG,
A Wholly Owned Subsidiary of Stack Sports.***

FOR IMMEDIATE RELEASE

TUESDAY 28th APRIL 2020 | HONG KONG - SportsTG, is the world's leading provider of sport membership, event management and competition, e-commerce and digital technology platforms for National sporting organizations, Leagues and Club competitions. VARCIS and SportsTG will co-develop opportunities in Asia to work together as a consortium; assist each other in the preparation and negotiation of proposals for sport membership, event management, competition, e-commerce and platforms with National sporting organizations and League and Club competitions across the Asia region.

"SportsTG is the clear world-leading provider of membership, event management and competition platforms for sporting bodies at all levels with a major opportunity in partnership with VARCIS to become the leading provider to the Asian sports sector", said Mr. Phillip King, Chairman of Varcis Group. "Asia is a major market for SportsTG and VARCIS will bring its strategic Asia partner network, investment and partnership funds and our technology and global advisory service network to support SportsTG expansion into Asia".

"Asia is fast becoming a major focus for SportsTG. We believe VARCIS unsurpassed networks and strategic partners across Asia, and the highly experienced VARCIS team will boost our efforts to develop and implement our market entry into the burgeoning Asian sports technology and sports business market. Together with VARCIS we're excited to be working together to build what comes next in 2020." said Mr. Andy Graham, SportsTG, General Manager."
